**Re: MUR 3774 - National Republican Senatorial Committee  
and Stan Huckaby, as treasurer**

Dear Ms. Odrowski:

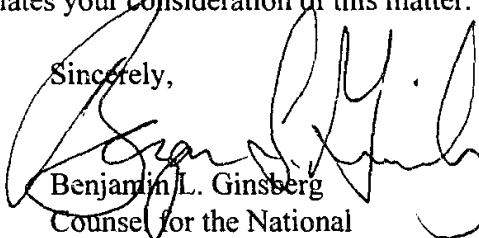

With respect to the above-captioned matter and per my letter to you of August 31, 1995 and our conversation this afternoon, the National Republican Senatorial Committee (the "NRSC") understands that its formal responses to the document subpoena and interrogatories are currently due on September 25, 1995. The NRSC wishes to cooperate fully and is already well into the process of reviewing its files for responsive materials.

However, compliance will be time-consuming. Therefore, the NRSC hereby requests an extension of twenty days (*i.e.*, until October 15) for producing, subject to any applicable objections, the requested materials and answering the interrogatories. The NRSC has good cause for the requested extensions including: the large number of transactions at issue; the voluminous nature of the files that need to be searched; the extensive time period covered (from October 1, 1992 to the present); and the turnover of NRSC personnel during that time period.

While it is our intention to complete our response to the request by October 15, its voluminous nature may require an additional extension for some of the responses. Should this be necessary, we recognize the request will have to go to the Commission and we will endeavor to request it more than five days before the deadline.

The NRSC greatly appreciates your consideration of this matter.

Sincerely,

  
Benjamin L. Ginsberg  
Counsel for the National  
Republican Senatorial Committee
